

CREST™

2023 COLLECTION

You Deserve This

You've done your research. You've incorporated the best combination of features, performance and layout into your boat design. You're already dreaming of the first day on the water with your family and friends. You have zero hesitations that Crest Pontoon Boats has built a boat to outlast the hours and memories you put on it. The best days are ahead. You deserve this.

All specifications are based on the latest product information at date of printing. Crest Marine LLC reserves the right to make specification and manufacturing changes at any time without notice or without responsibility for existing units. Crest Marine LLC assumes no responsibility for errors and/or omissions in this document. Please check with your local Crest dealer to show available options for the most accurate information.

2023 Collection

Construction, Style, and Comfort

IT ALL ADDS UP TO CREST QUALITY

From the iconic Classic to the sleek Savannah, every Crest model combines superior construction, modern style, and lush comfort. Your best days on the water are here, on a Crest.

Construction

Your best days on the water start with the best materials. High-quality tubes, robust fence rails, and the industry's best deck construction provide what you need to enjoy your ride with confidence.

Style

Across our entire lineup, every Crest makes a statement on the water. Powder-coated rails come standard and provide a timeless look that will last a lifetime. Plenty of features, colors, and accent options make it easy to customize your boat to be uniquely yours.

Comfort

Our seats provide lush comfort, with deeper seat bases, higher seat backs, and superior foam to enjoy longer days in the sun. Versatile layouts make it easy for everyone on board to move around, get comfortable, and explore the views on the water.
